Accomplishments

In 2023, we made a substantial impact by connecting with over 200 young individuals through diverse programs aimed at empowering youth. These initiatives encompassed comprehensive training sessions such as the Youth Training on UN Advocacy, Curriculum Training, Human Rights Internship Program, Youth Peace Conference, and the Youth Conference for UN CSW.

The WFWPI UN Office in Geneva orchestrated the highly successful WFP Youth Peace Conference, which centered on leveraging technology to foster peace and safeguard human rights. The conference featured specialized sessions with experts covering pertinent topics like diplomacy, peace-building measures, and interactive discussions on pressing concerns. Notably, the conference culminated in a Peace accord with documented resolutions for peace and reconciliation.

The participants of our UN Advocacy training program held at the UN in Geneva reported that it was their inaugural experience in such a professional setting. This program not only provided skill development but also offered them a platform to represent WFWPI as delegates at the UN Social Forum 2023, enabling them to voice their aspirations for a better world at the UN.

Our involvement in UN Advocacy, specifically at the UN Intergovernmental Working Group on the Right to Development and the Expert Mechanism on the Right to Development, resulted in valuable contributions being consistently included in the formal reports of the UN. These contributions significantly focused on protecting both development and human rights.

Additionally, we hosted a compelling side event at the UN Human Rights Council that highlighted the imperative need for reforms in development cooperation through the Right to Development Approach. This event was moderated by the UN Office of the High Commissioner and featured distinguished panelists, including the Ambassador of Azerbaijan and the Director of the South Centre.

NGO CSW Geneva 2024

Under the leadership of WFWPI President Carolyn Handschin, the UN NGO Committee on the Status of Women Geneva organized impactful programs, including three Ambassadors Breakfast Briefings and 50th Anniversary event with dignitaries hosted by the city of Geneva.

The breakfast discussions addressed crucial themes such as "Access to Technology for Women and Girls," "Ending the Cycle of Poverty," and "Ensuring the Right to Food and Clean Water." These sessions provided a platform for open dialogue with Ambassadors and Heads of UN entities.

Additionally, the 50th Anniversary Event on the International Day of Peace featured a keynote by Ms. Handschin, interviews with women pioneers, a panel with CEDAW & UNWOMEN and messages from member organizations, (Moriko Hori) of WFWPI, and a reflecting on the committee's legacy, in advocating for women / girls.
